Greetings,

I hope this letter finds you doing well and excited about the upcoming camp season. Please take time to review the enclosed information needed for you and your group to register for camp this summer. Also enclosed is the camp report for January containing the most recent information regarding the plans for building a lake. Please share this report with whoever you think would be interested.

New Fee Schedule:

1. New Camper Fee: \$85
2. RV Spots: \$10 per night
3. Early arrival dorm use: \$20 per dorm
4. Private dorm use during camp: \$20 per night

Some camps bring in special entertainment or guest that require the use of a dorm for their private use. As noted, the cost for private use of a dorm will be \$20 per night per dorm. The use of the director's cabin will remain free of charge and can be used as you see fit. Also, some camps have churches that request a dorm to themselves even though they don't have enough campers to necessarily fill that dorm. In addition, some camps like to "spread out" the churches so that dorms are only half full. Over the last couple of years this has become an issue because some camps at half capacity have used as many dorms as camps at full capacity. This causes an extra burden to the camp as a half full dorm will use just as much electricity as a full dorm. As well as, they both cost the same to be cleaned. Some churches have paid extra for the use of a private dorm but others have not. There has been no ill intent towards the camp. I have just failed to point out that this is a problem. To have everyone on the same page, I would like to enact the following policies...

- a. As a registrar, please fill dorms with an average of 20 campers (dorms hold 24)
- b. If the camp so desires to "spread out", please be prepared to pay \$80 for every dorm used that places the camp under the 20 campers per dorm average
- c. An individual church can request to have a dorm to themselves and pay the \$80 if a dorm is available for them to do so

As a reminder, please help us in keeping the camp property and buildings looking the best that we can. The hanging of signs and decorations on building's exterior and interior walls is not allowed without special permission. Thank you for your cooperation.

Looking forward to seeing you. Please contact me if you have any questions.

In Christ,

Ricky Lee,
Manager, PSBC
